Schedule of the Day

Audition Masterclass

Our day will begin with a masterclass where students will be guided through a series of topics regarding audition etiquette and technique, ranging from appropriate attire to slating professionally. A rotational masterclass setting will allow each student to apply newly learned techniques, and to learn from acting, vocal, and dance instructors critiques of their- and their peers'- performances. Students will not be interacting with *Frozen Jr.* material, but will instead work with music and choreography from a different show during this training class.

Snack Break (15 minutes)

Please make sure your child brings a hearty snack and a water bottle as they will be using a lot of energy to dance and sing throughout the day.

Mock Audition

Students will return to the workshop for a mock group audition that will prepare them for the style of audition they will experience at *Frozen Jr.* auditions. Students will receive feedback from Haven staff so that they can continue to grow in their audition technique. The workshop will conclude with a time of reflection on what our students have learned.
