

Virtual Performance Photo and Video Release
All The World's A Stage:
Introductory Shakespeare Summer Camp
Haven Academy of the Arts

Dear Parent or Guardian:

Your tuition includes a professionally produced performance video where your child will have the opportunity perform excerpts from the musical *All The World's A Stage: Introductory Shakespeare*. In order to participate in the performance portion of the show, we need a photo and video release on file for you. While your child is welcome to participate in camp without participating in the video performance, there will be aspects of the camp instruction and experience that will not apply to them if they don't participate. We highly encourage all our students to participate in our video performance as our camp curriculum is designed to prepare our students for their final performance.

Additionally, on occasion, representatives from the Haven Academy wish to photograph, videotape or interview students in connection with Haven Academy programs or events. Educating the public about Haven Academy is one of our objectives. The entire community benefits from knowing about the abilities of our students and about the programs Haven Academy offers to the children in our community.

In order to release student photos, video footage, comments or to post items on the Haven Academy website, we need your written permission.

To give your consent, please complete the form below.

I, the parent/ guardian, give permission for my child to be photographed, videotaped and interviewed by representatives from Haven Academy for the purpose of publicizing the educational programs at Haven Academy. I authorize the use and reproduction, by Haven Academy and anyone authorized by Haven Academy, of any and all photographs, videotapes and interviews taken of my child, without compensation to me or my child. All of these photographs, videos and interviews shall be the property, solely and completely, of Haven Academy. I waive any right to inspect or to approve the finished photographs, videotapes, sound tracks, scripts and printed matter that may be used by Haven Academy.

I give Haven Academy permission to film my child in our all class "Zoom" performance

I give permission for Haven Academy to use any personal video or sound files that I send in for my portion of the performance in our *All The World's A Stage: Introductory Shakespeare* performance video.

I understand that Haven's video license for our *All The World's A Stage: Introductory Shakespeare* performance video is for private, at home use only. I will only share the video privately with family and friends and refrain from sharing publicly or posting on social media.
